REQUEST FOR CERTIFICATE OF CORRECTION

APPROVED

Commissioner of Patents  
and Trademarks  
Washington, D. C. 20231

JUL 29 1982

*R.C. Mason*  
FOR THE COMMISSIONER OF PAT. & T.M.

Sir:

Parent patent application Serial No. 64,401  
was not abandoned, but has in fact issued as U.S.  
Patent No. 4,308,624 on January 5, 1982. With respect  
to the change to Claim 4, the error is clear from  
examining specification page 27, line 8.

R E M A R K S

Patentee does not feel strongly about the  
issuance of a Certificate of Correction and would not  
object to having this request simply placed in the  
permanent file of the Patent Office. However, the  
interest of the general public might be better served  
by issuance of the Certificate so no one will be mis-  
lead into believing that the parent patent application  
was abandoned when it, in fact, issued as a U.S. patent.

Respectfully submitted,

FITCH, EVEN, TABIN, FLANNERY & WELSH
